

GIANT POLE

Huge attention grabbing outdoor display.

- High impact display for 1.1 x 4.1m textile flag.
- Ideal for forecourts, shopping centres, exhibitions and events.
- 2-part water fillable polyethylene base for optimum stability.
- Telescopic aluminium pole with silver anodised finish (54mm diameter at base).
- Printed flags available to order (single and double sided).
- Printed by dye sublimation – see page 177 for more details.
- No tools assembly.

Double Sided Flags

A twin layer of standard polyester fabric with central liner allows different designs on each side and a good level of opacity. Due to the added weight, double sided flags will not flutter in the wind in the same way as standard flags.

360° rotating flag arm.

Telescopic pole.

Item	O/A Dimensions (w x h x d mm)	Weight (kg) Empty/ Full	Availability	Order Code
